Introduction

Plus ça change, as Merton would probably have said, *plus c'est la même chose*. This bibliography follows on from the last, which was finished in 2002 and covered 1945 to 2000. Aside from a few small details, the format and design are those of the original, and most of the same categories and classifications are still with us. Thus it is hardly necessary to repeat that first Introduction, which can still be consulted.

The scope of this bibliography is not quite so precise as that of the last. There is a fuzzy join between the two in 2000-2001. With the flow of information that Merton constantly generates, it is difficult to be precise. The closing of this one occurs in a momentous year, and has an exact date: April 24, 2015, with the arrival of the *Merton Annual 27* (2014). In it are the contents of three special volumes published by the Merton-dedicated periodicals in honor of his 100th birthday, and all the celebrations running up to and after that date. It captures a time of festival, but was finished before the year's end in order to be present at the International Thomas Merton Society's 14th Conference in June of 2015 at Louisville, Kentucky. It absorbs the staggering bibliography of the *Merton Seasonal 40.2*, with its 269 items (more than four times the usual), and is as up to date as possible at the closing date. With Merton, however, there is always more.

Once in a while the question is asked "Is Merton still flourishing or is he on the wane? How deep is his influence?" The "Parts of Books" section of this bibliography can perhaps give a concrete answer, because it measures how often Merton has made his way into other people's books. Some organization has been introduced in the divisions of the category: the *Seasonal* information has been sorted here into "Famous Connections" (Merton's presence in the lives of other well-known people), as well as "Chapters" and "Mentions." A rough count of these categories indicates Merton's presence in 270 books by other people, plus 21 entries in general Reference Books. The rest of the categories are equally robust, and to discern the level of celebration in January, one has only to browse the headlines in the News section, which is in date order, to see the extent. Interest in Merton waxes and wanes, but has never seemed to go away. After all, more than 100 books entirely about Merton are listed here, over about 15 years. His career seems secure.

Categories of Media appear here substantially for the first time: the advent of convenient CDs and DVDs (not to mention MP3s) has made for a spate of lectures about him on these media, as well as re-castings of his own teaching tapes into larger groups with special introductions by scholars. His own works made the transit into Kindle and other e-books very rapidly as soon as these media became popular.

In short, this book indicates that Merton is someone still enthusiastically read and written about in whatever medium the reader chooses. I hope that the bibliography will guide people in their continuing study of Merton, which in the crises of this world is still a worth-while activity, one in which we so often discern that he has already got to the current ground zero ahead of us and is ready to offer stern prophecy and hope in equal measure.

Merton Seasonal: Used for this Bibliography: 26.1 (2000) to 40.2 (2015).

4 issues annually, with running bibliography "By Merton" and "About Merton" in each issue. Edited by Patrick F. O'Connell.

Periodicals

For the Merton Centennial Year

The essays and book reviews in the special issues listed below are included in this bibliography.

Universal Vision: A Centenary Celebration of Thomas Merton. Edited by Fiona Gardner, Keith Griffin and Peter Ellis. Thomas Merton Society of Great Britain and Ireland, 2014. xxiii, 152p. [pbk]. A special Advent issue of *The Merton Journal*. [SA40.2.82]

The Merton Seasonal 40.1 (Spring 2015) a 72-page (largest ever) issue containing many essays on the theme: "On the Last Day of January, 2015: Why Merton Still Matters." Edited by Patrick F. O'Connell.

We Are Already One: Thomas Merton's Message of Hope: Reflections in Honor of His Centenary (1915-1968). Edited by Jonathan Montaldo & Gray Henry. Louisville KY: Fons Vitae, 2015. 384p. From the publisher of *The Merton Annual*, a special volume of tributes. [SA40.2.12]

As this bibliography was being closed, several planned special issues of periodicals on Merton were just coming out. These include:

Cistercian Studies Quarterly (Spring 2015) with studies by Bernardo Bonowitz OCSO, Monica Weis SSJ, Bonnie Thurston, Armand Veilleux OCSO, John Eudes Bamberger OCSO, Mark Scott OCSO and Michael Higgins.

Cithara (Spring 2015) including studies by F. Douglas Scutchfield, Monica Weis SSJ, Paul M. Pearson, special section including reviews by Patrick F. O'Connell, Monica Weis, Paul Quenon OCSO, Paul M. Pearson, Michael McGregor and David Belcastro.

St. Anthony Messenger 122.8 (Jan 2015): 28. [SA40.2.65] Articles by John Feister, Dan Morris-Young and Richard Rohr OFM are listed under Articles and Essays.

Weavings 30.1 (Nov/Dec/Jan 2014-2015). Articles by Nass Cannon, Paul Dekar, E. Glenn Hinson, Jonathan Montaldo, Paul Quenon OCSO, Johnny Sears and "An Invisible Monk."

Sojourners 44.1 (Jan 2015). Articles by Patrick F. O'Connell and Christopher Pramuk.

The above are English-only publications. Special publications in other languages have also been made:

Chinese: 30-page special section in *The World Religious Cultures* 87.3 (2014), with essays by Lucien Miller, Paul M. Pearson, Christopher Pramuk and Martin Tamcke and Lilin Wu, translated into Chinese.

German: Detlev Cuntz and Wunibald Müller, eds., *Kontemplativ Leben: Erinnerungen an Thomas Merton*. Münsterschwarzach: Vier Türme, 2014. 304p. [Preface and 18 Essays.] [pbk]. [SB39.4.9]
